

BMS-220ADB RIDE-ON FLOOR STRIPPER

A HEAVY DUTY RIDE-ON FLOOR STRIPPER

The Blastrac BMS-220ADB ride-on stripper is ideally suited for medium and large sized applications with the added benefit of being battery operated for increased versatility. It also provides total freedom of movement. It is very maneuverable with a zero turn radius, non-mark tires and complete hydraulic control.

The BMS-220ADB has an 8-10 hour run time thanks to its 12 powerful batteries. The operator sits on a comfortable seat where he is able to operate the machine with user friendly levers for forward, backward and blade height adjustment functions.

Depending on the type of flooring material you would like to remove, you can chose from a wide range of blades or chisels. The BMS-220ADB can easily and fastly remove of all kind of flooring materials, like; Hardwood parquet / ceramics / linoleum / vinyl / carpet / adhesives / glue / tiles / etc...
